

Dear Doctors,

It gives us immense pleasure in inviting you to the Second Bihar Pulmonary Conference (BIPCON) 2018 organized by Department of Pulmonary Medicine, All India Institute of Medical Sciences, Patna and Indian Chest Society, Bihar Chapter.

The Conference will focus on current issues in Pulmonary Medicine, Critical Care, Sleep Medicine and Interventional Pulmonology . The lectures will be simple and informative and will be delivered by eminent national faculty of repute. There will be presentations on Obstructive Airway Diseases (Bronchial Asthma and Chronic Obstructive Pulmonary Disease), Parenchymal Diseases (Interstitial Lung Disease and Pneumonia), Obstructive Sleep Apnea, Drug Resistant Tuberculosis and Interventional Pulmonology and Thoracic Surgery. There will be enough time for interaction and discussion with the speakers. MCI has awarded 4 accreditation hours to this Conference.

We welcome you wholeheartedly in making this event a grand success.
